RAY W. MUNSEY

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Chichester on Tuesday, the 11th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of current year taxes.

4. To see if the Town will vote to raise and appropriate the sum of $287.00 for support of the Concord Hospital. (At request of the Hospital)

5. To see if the Town will vote to raise and appropriate the sum of $25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for opening and maintaining of Trails and Old Roads for forest fire protection; the N.H. Forestry and Recreation Commission to provide a matching sum not in excess of $25.00 for this purpose.

6. To see if the Town will vote to authorize the Selectmen to appoint a Cemetery Commission. The duties of this Cemetery Commission shall be to formulate rules and regulations for all town owned cemeteries and to have authority to carry out such rules and regulations.

7. To see if the Town will vote to amend Article

III, Section F, Paragraph 1 of the Zoning Ordinance for the Town of Chichester, by changing 22,500 Square feet to 30,000 square feet and to read as follows:

F. *Area, Frontage and Yard Requirements*

1. Every building lot shall have a minimum land area of 30,000 square feet with a minimum frontage of 150 feet. Where a lot in separate ownership at the time of passage of this ordinance does not conform to the area and frontage requirements, such lot may be occupied by any use permitted by this ordinance. (At request of the Planning Board)

8. To see if the Town will vote to dissolve the History of Chichester Fund of $700.00 from this purpose as voted at the 1963 Town Meeting, Article 8 of the Town Warrant, and to see if the Town will vote to allot this sum to the following:

$200.00 to the Barnstead Ambulance Service.

$500.00 for the painting of the exterior of the Town Hall.

9. To transact any other business that may legally come before said meeting.

Polls will be open until 6:00 P.M.
All articles except No. 1 above will be taken up beginning at 7:00 P.M.

Given under our hands and seal, this 4th day of February, in the year of our Lord nineteen hundred and sixty-nine.

WILLIAM T. CAMERON
JAMES C. BATES, JR.
THEODORE G. BAILEY
Selectmen of Chichester

SUMMARY OF INVENTORY

REPORT OF PLANNING BOARD

The Planning Board does not have any new projects or suggestions to recommend for 1969. We are, rather, working on the recommendations made in 1967.

A study of the town roads has been made and all roads are named, and will be marked with signs. A keeping of the old original names has been preserved as near as possible, and new names selected as the roads are more commonly called by the local people.

A recommended figure as to the cost of road signs will be presented in the budget at town meeting.

The planning board also recommends that Article III Sec. F. Paragraph 1, of the Zoning Ordinance be changed from 22,500 sq. feet to 30,000 sq. feet and read as follows:

F. Area, Frontage and Yard Requirements:

1. Every building lot shall have a minimum land area of 30,000 sq. ft. with a minimum frontage of 150 feet. Where a lot in separate ownership at the time of passage of this ordinance does not conform to the area and frontage requirements, such a lot may be occupied for any use permitted by this ordinance.

This article will be acted upon in the warrant.

We further hope to continue study on future development of a new cemetery on land opposite the Carpenter Memorial Park. This project will require a more extensive study before any action can be taken on it.

As we have adopted subdivision regulations it was necessary to have a sanitary inspector and a highway inspector appointed to supervise new construction of subdivision regulations.

James Robinson has been appointed sanitary in-

spector and Benjamin Daroska has been appointed highway inspector to carry out these duties. John Hutchinson is the town building inspector.

Building regulations and Zoning Ordinance forms may be obtained from John Hutchinson.

Subdivision regulations may be obtained from the clerk of the Planning Board, Franklin Towle.

Applications for variances to the Zoning regulations may be obtained from Floyd Blackman, chairman of the Board of Adjustment.

The planning board will welcome any suggestions in regard to future planning or development in the town for further study.

CHICHESTER PLANNING BOARD

REPORT OF CHICHESTER CONSERVATION COMMISSION

Members of the Conservation Commission have met several times mostly at the Carpenter Memorial Center. Bounds were established, Granite markers were set between the Earle property and the Center.

The project undertaken by the Commission was to cut and remove brush from the "Old Home Day" area of the Center, to install the bean hole for the "Old Home Day Bean Hole Beans". Co-operation from Shirley Marden was very welcome at this time. Assisance from Floyd Blackman, in charge of Chichester Old Home Day, was very helpful. A band platform and small grand-stand were built. During these efforts Edwin Winslow assisted with his chain saw and truck.

The local Neighborhood Youth Corps enrollees, with Frank L'Homedieu supervising were instrumental in accomplishing this improvement to the Carpenter Memorial Center. The amount expended including truck use, converted to dollars comes to $2,392.80. The town expended $195 for supplies from the Carpenter Memorial Center Fund.

Some of the problems to be considered to improve the Carpenter Memorial Center will be a suitable water supply and toilet facilities. A continuous effort should be made to keep the brush from growing back in the cut-over area. Organizations that would like to volunteer assistance would serve a very good purpose in improving the Center.

A preliminary survey has been made regarding the pollution of the Suncook River by the town of Pittsfield which cost approximately $11,000. The town of Pittsfield has applied for a loan of approximately $60,000 for a final survey. The Commission is interested in the above project in that the Town of Chichester will gain

immensely, once the Suncook River is free from pollution.

Eventually the town should consider the desirability of acquiring the rights to waterways, and other property, to preserve for the citizens of Chichester some of the outdoor recreational facilities that would otherwise be developed for commercial enterprises.

REPORT OF THE CHICHESTER VOL. FIRE DEPT.

During the year 1968 the department answered a total of 12 calls for assistance. Of these calls 6 were for Mutual Aid assistance out of town. The remaining 6 were for the following, one barn, one chimney, one brush, one lighting strike and one fire at the junk yard.

During the year the pump on Engine 2 was rebuilt and put back into service.

The tank truck which the department has been building has been completed and put into service. It is equipped to carry ladders, hose, nozzles and has a capacity of 1000 gals. of water.

This gives the fire dept. a complement of 3 trucks with a total carrying capacity of 2300 gals. of water when arriving at a fire.

Our future plans should include a buildup of hose, nozzles and some hand tools.

I also hope the dept. can purchase a movie projector in the near future. This could prove valuable in training and subjects for programs at our monthly meetings. There are many films available through State agencies which can be had free.

I feel our department as a whole is readily available and trained for a vol. fire dept.

However, our greatest weakness is the shortage of manpower during the day. Now most men work away from town and even many of the ladies who previously helped in calling the firemen, are now away during the daytime.

There is no question that in the near future someone must be hired to be on standby duty during the day if we expect complete coverage for emergency calls.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increases in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
   a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in

your own back yard is permitted on notification of the warden.

b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.

c. Have equipment on hand to control the fire *before* you light the match.

4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

REPORT OF THE LIBRARIAN — 1968

In reviewing the library reports of the past five years, there is an ever-recurring pattern of — 1, conscientious, interested, open and fair minded Trustees; 2, a Staff (that includes 8 regular library aides) happily and seriously committed to the development of the library toward the best possible service for the entire Chichester community; 3, a book collection that grows each year in quality and variety; 4, a mutually constructive and cordial relationship with the Central School; 5, a sincere gratitude to the many friends who by their material contributions and/or spoken support and influence, help to increase the usefulness of the library and the number who use it.

1968 continued the pattern. There were three extra delights during the year. Under the chairmanship of Mrs. Lewis McIntosh, the Friends of the Library held an Open House and Membership Tea and Exhibition at the Town Hall in October. The exhibition included books, art from the first grade, (taught by Mrs. Edwin Sanborn III and Mrs. Harold Hill); hand made articles, wood working and paintings and hooked rugs. In December, the pupils in the 4th grade (taught by Mrs. Paul E. Metcalf and Mrs. Lillian Tuttle) decorated the library for Christmas with a charming Christmas tree and hand painted Christmas cards and ornaments. And for the fourth consecutive year Mrs. Ruth Blackman Caskey contributed fifty dollars to the library, to be disbursed at the discretion of the librarians.

BUT . . . are you who read this report, aware of the worth of your library? Do you know that on its shelves are dictionaries in five languages, atlases (geographical, historical, biblical) pronouncing dictionaries of proper and geographical names, recent books on old bottles, a 1968 Antiques description and price guide, a new Health Encyclopedia, a new Science Encyclopedia, the

new Bartlett's Familiar Quotations, books on Religion and Meditations, Art, Music, History, Biography, Poetry, Synonyms and English Usage, Flowers, Trees, Birds, Mammals, Insects, Animals, Furniture repairing, refinishing and upholstering, Cooking, Games, Sports, Gun Handling — The National Geographic, Consumer Reports, Profile Magazine — etc. etc.!

Though your library is small in size, it is extensive in scope! If the book you want is not yet in our collection, all you need to do is to tell the library aide or librarian on duty the subject you want to know more about, or the title and author of a specific book you want to read, and Mrs. Bates and I will do our best to get the book for you from another library. And don't forget that a current "best seller" might be more quickly available from the Chichester Library than from a larger one with its longer waiting list.

Respecfully submitted,

HELEN L. BLACKMAN
Librarian

Staff: Mrs. Floyd Blackman, Librarian; Mrs. James C. Bates Sr., Asst. Librarian; Aides: Mrs. William Cameron, Mrs. Frank Hatch Jr., Mrs. Archibald Kerr, Mrs. Robert Myers, Mrs. H. Franklin Parker, Mrs. Clarence Shaw, Mrs. John Sweet, Mrs. Elliott Vestal.

1968 REPORT OF THE TREASURER OF THE CHICHESTER TOWN LIBRARY

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Chichester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March 1969, at Two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to establish the salary of school board members at $250 for the chair-

man and $200 each for the other members, with the understanding that the budget contains an appropriation sufficient to cover this cost.

10. To see if the district will vote to transport high school pupils to Pittsfield High School and to Pembroke Academy during the next school year, and raise and appropriate the sum of $7000 for this purpose.

11. To see if the district will create an authorized regional enrollment area school district planning committee and to elect the members thereof, or determine that they shall be appointed by the moderator.

12. To transact any other business which may legally come before said meeting.

Given under our hands at said Chichester this 14th day of February, 1969.

REPORT OF CHICHESTER SCHOOL BOARD
1968-1969

It has been customary in the past to use this space to review the outstanding happenings of the past school year. This year, however, we consider it our duty to use this report to inform the town voters of the conditions which make it necessary to formulate a definite plan for the further expansion of the school.

Twenty years ago the first part of the school was built, containing four classrooms and a small kitchen. Last August (1968) the final payment was made on the bond issue which provided the money to finance it. Twenty years ago there were four teachers with two grades in each room. For eleven of these years this arrangement was considered adequate.

By 1960 the school enrollment began to increase rapidly and the trend still continues. Therefore, in 1960, two additional classrooms were constructed and in 1963 two more classrooms, a larger heating plant and a modern kitchen were added. In 1966 the two lower grades were too large for adequate instruction by one teacher in a single classroom. It was necessary to add two more classrooms. This made a total of ten classrooms for eight grades — two of the grades occupying two classrooms each.

Annually, a census is taken of pre-school age children in Chichester in order that we may have a clue as to future enrollment. In the past six years the enrollment has increased approximately fifty percent — from 142 to 212 pupils. It is presently indicated that the school enrollment will continue to increase, though perhaps at a slower rate.

In September 1968, due to special circumstances, it was deemed necessary to divide the first and fourth grades, using four classrooms. And a teacher's aide for

additional help in the over-size third grade was provided. The school library is used part time as a special classroom.

To sum up — our present ten classroom school is already over-crowded. We need two more rooms just to catch up. The next step should be to have drawn up the most economical and well co-ordinated plan for a possible addition of 6 classrooms, thus avoiding the extra cost of piecemeal plans and construction. From what we know now, four more classrooms will be needed by September 1970. The remaining 2 classrooms in the plan could be built when needed.

It is not a pleasant task for your school board members to present an ever-increasing budget. But inherent in our obligation is the responsibility to recommend and provide the children of this town with the best possible education. Because of the present high interest rates and the current uncertainty of additional state aid for education, we do not include in the Warrant this year any request for funds for additional classrooms.

Respectfully submitted,

FLOYD H. BLACKMAN, Chairman
MRS. FREDA JONES
JOHN L. SWEET

Enrollment by Grade September 1968

Grade 1	33	Grade 5	26
Grade 2	23	Grade 6	24
Grade 3	34	Grade 7	22
Grade 4	31	Grade 8	17

Total Enrollment 210

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chichester:

The State testing program for elementary pupils has been expanded to include pupils in grades two, four and six, in addition to members of grade eight who were previously eligible for this service.

This is a rather complete program, including tests of intelligence and achievement. The expanded program is to be financed entirely from State and Federal funds. It is expected that a portion of the money available will be used to process test results and make various forms of information about each pupil available to the schools participating in the program.

Such additional information and material regarding each pupil tested can be of significant value to the district as it will enable teachers and administrators to make a more complete evaluation of instruction, and will make possible more effective guidance as the pupil enters the secondary schools of the area.

This is a form of direct assistance to the elementary schools of the State, and represents a type of aid which can do much to improve instruction for all children by providing valuable additional information and assistance to the teachers of our schools.

Our school district welcomes this type of service and we hope that the program may be continued over the years.

The Elementary and Secondary Education Act of 1965 makes funds available for school assistance to those pupils having special needs. It is expected that our school will develop such a project for the next school year.

Another notable development of the past school

year was the addition of two part time teachers to our staff. These additional staff members make it possible to provide some assistance with large grade enrollments, and to enable the principal to devote a more adequate amount of time to the routine but important duties of operating the school by releasing him from some of his teaching responsibilities.

RAYMOND E. MORTON
Superintendent of Schools
